TASTING LOOP

PARTICIPATING WINERIES:

**Bethel Heights Vineyard • Coeur de Terre Vineyard
Dominio IV Winery • Trisaetum Winery
Lange Estate Winery**

Come Join us for one of our special 'in the loop' tastings. We'd Love to show you our estates and carefully crafted wines. Fees from these special tastings will be donated to 'A Family Place,' a local charity that supports at risk children and families with a nursery program, home visits, counseling and transportation. These services contribute to children's healthy development and to greatly decreasing the percentage of at-risk children who end up in foster care or prison.

Who Are We?

We are a small group of wineries where the family are both the owners and the winemakers. We care deeply about our land, our wines and our community which is why we take great care in how we treat the land and try to give back to the community whenever possible.
